- 2. Mr. Murugiah Rajendran
- 3. Mr. Keshav Balasuriya
- 4. Mr. Jeevan Sukumaran

FUND MANAGER'S REPORT

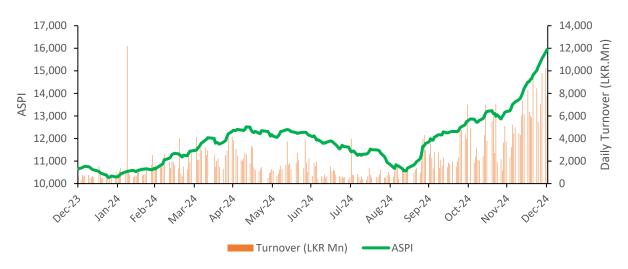

Dear Valued Investors,

I am pleased to present the Integrated Annual Report and the Financial Statements for the financial year ended 31 December 2024 (FY 2024).

The FY2024 marked a historic milestone for the Colombo Stock Exchange (CSE), with both the All Share Price Index (ASPI) and S&P SL20 Index reaching record highs, posting gains of 49.7% and 58.5%, respectively. The Fund's benchmark, the All Share Total Return Index (ASTRI), also delivered an impressive 57.8% increase. During the initial part of FY2024, indices displayed a positive momentum due to the sharp drop in fixed income yields possibly shifting some fund inflows to equity from fixed income, better than anticipated quarterly earnings, positive expectations on External Debt Restructuring and largely improved macro-economic fundamentals. During the mid part of the year, indices witnessed some weakness mainly due to profit taking and uncertainty over the outcome of presidential elections. In addition, a substantial number of equity and debt issuances, including rights issues, bank debentures and large Government Security issuances absorbed a significant portion of market liquidity. However, the result of the highly anticipated Presidential Election in September 2024 had a substantial positive impact on the market. The rally was further boosted by the subsequent 2/3 majority victory by the ruling party in General Elections 2024 and significantly improved economic indicators, sustaining strong market performance through year-end. Additionally, Sri Lanka's Long-Term Foreign-Currency Issuer Default Rating received a notable upgrade, moving from Restricted Default (RD) to CCC+ by Fitch and from "Ca" to "Caa1" by Moody's.

The market capitalization of the CSE reached an all-time high, increasing from LKR 4,248.9 billion to LKR 5,695.6 billion during FY 2024. Meanwhile, the PER stood at 8.9x at year-end, lower than the 11.1x recorded at the end of FY 2023. Despite market prices moving up, aforesaid PER decline was primarily driven by the growth in corporate earnings. Overall, FY 2024 was a landmark year for the CSE, supported by robust economic recovery, improved investor sentiment, and a strengthened fiscal outlook.

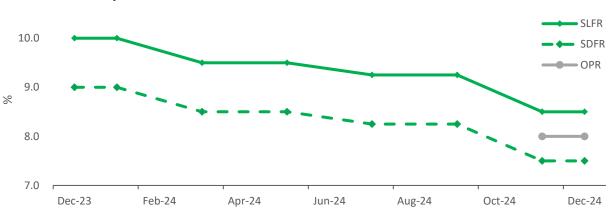

Source: Colombo Stock Exchange

In 2024, Sri Lanka's economy exhibited a significant recovery, achieving a real GDP growth rate of 5.0%, a notable improvement from the -2.3% contraction in 2023. This growth was primarily driven by expansions in the industrial and services sectors, which grew by 11.0% and 2.4% respectively, while the agriculture sector experienced a modest growth of 1.2%. The fourth quarter of 2024 saw a GDP growth of 5.4%, further underscoring the positive economic trajectory.

Throughout 2024, the Central Bank of Sri Lanka (CBSL) implemented a series of monetary policy adjustments to stabilize inflation and support economic growth. In March 2024, the CBSL reduced the Standing Deposit Facility Rate (SDFR) and the Standing Lending Facility Rate (SLFR) by 50 basis points to 8.50% and 9.50%, respectively. Further easing occurred in July 2024, with a 25 basis point reduction, bringing the SDFR to 8.25% and the SLFR to 9.25%. In November 2024, the CBSL introduced a single policy rate, setting the Overnight Policy Rate (OPR) at 8.00% with implied Standing Deposit Facility Rate (SDFR) and Standing Lending Facility Rate (SLFR) tied to the OPR with a margin of ±50 basis points, effectively simplifying the monetary policy framework. Consequently, the SDFR stood at 7.5% as at 31 Dec 2024 vs 9.0% as at 31 Dec 2023 and the SLFR stood at 8.5% vs 10.0% as at 31 Dec 2023.

Additionally, the Statutory Reserve Ratio (SRR) was maintained at 2.0% throughout 2024, following its reduction in the latter half of 2023, ensuring sufficient liquidity in the banking system to support lending and investment activities.

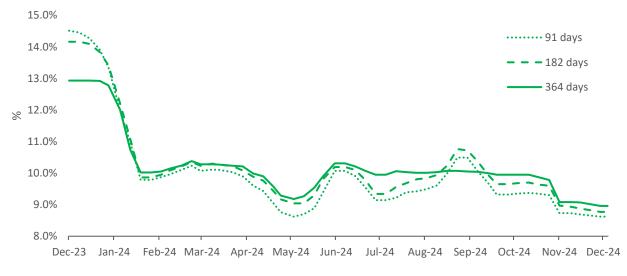

Movement in Policy Rates

Source: Central Bank of Sri Lanka

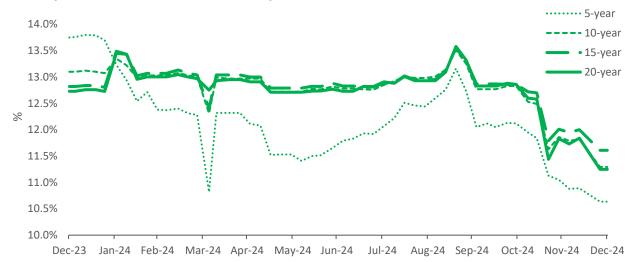

The period under review saw Treasury bill yields gradually easing. The benchmark 03, 06 and 12month yields decreased from 14.51%, 14.16% and 12.93% respectively as at the end of Dec 2023 to 8.62%, 8.77% and 8.96% respectively as at the end of Dec 2024. During this period, the yield curve witnessed a correction and switched to a more upward sloping yield curve with the 3M and 6M yields dropping below 12M yield. Similarly, Treasury Bond yields too witnessed a gradual declining trend.

Treasury Bill Rate Movement

Source: Central Bank of Sri Lanka

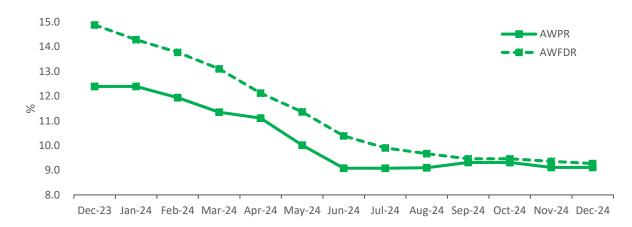

ANNUAL REPORT 2024

Treasury Bond Rate Movement – Secondary Market

Source: Central Bank of Sri Lanka

In line with the Monetary Policy changes by CBSL, all deposit and lending rates witnessed a gradual decreasing trend, with Average Weighted Prime Lending Rate (AWPR) decreased to 9.1% and Average Fixed Deposit Rate (AWFDR) decreased to 9.3% by the end of December 2024 vs. 12.4% and 14.9% respectively by the end of December 2023.

Movement of AWFDR and AWPR of Commercial Banks (% p.a.) at month-end

Another key factor in this economic resurgence was the stabilization of inflation. After peaking in 2022, inflation measured by Colombo Consumer Price Index (CCPI) dropped significantly to 0.5% YoY by August 2024, creating a more favourable environment for economic activities. Subsequent to that, the inflation was in the negative territory for the remained of the subject year and recorded -1.7% YoY by the end of December 2024. The reduction in inflation has been attributed to factors such as reductions in power tariffs, fuel prices, and an appreciating rupee.

Source: Central Bank of Sri Lanka

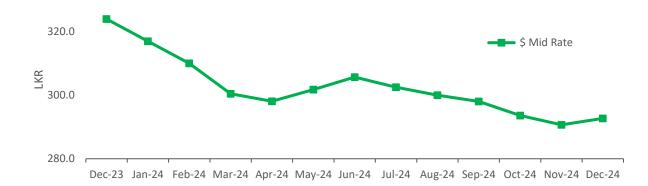

Movement in the CCPI and NCPI

Movement in the USD/LKR Rate

In 2024, Sri Lanka's Gross Official Reserves (GOR) experienced a significant increase, reaching approximately US\$6.1 billion by the end of December 2024 vs US\$ 4.4 billion by the end of December 2023. Enhanced tourism earnings and increased worker remittances were key contributors for reserve accumulation. Consequently, the Sri Lankan rupee appreciated by 9.7% against the US dollar during the year up to December 31, 2024.

Asset Allocation as a percentage of Net Asset Value as at 31^{st} Dec 2024

Source: Senfin Asset Management (Pvt) Ltd

Equity Holding by Sector as at 31 Dec 2024 (as a percentage of Net Asset Value)

Source: Senfin Asset Management (Pvt) Ltd

We anticipate continued positive sentiment toward equities. FY 2024 highlighted the true potential of the CSE, and moving forward, with key macroeconomic indicators showing sustained improvement; including single-digit inflation, a stable currency, rising tourism earnings, strong remittance inflows, low-interest rate environment and expected growth in corporate earnings, we expect stable and organic growth in equities in FY2025E. We continue to analyze and invest in counters that are expected to perform well in the medium/long run while remaining committed to the overall aim of dividend income and capital appreciation.

INDEPENDENT AUDITOR'S REPORT

TO THE UNIT HOLDERS OF SENFIN DIVIDEND FUND

Report on the Audit of the Financial Statements

Opinion

We have audited the Financial Statements of **SENFIN DIVIDEND FUND** (the Fund) which comprise the Statement of Financial Position as at 31st December 2024, and the Statement of Comprehensive Income, Statement of Movement in unit holders Fund and Statement of Cash Flows for the year then ended 31st December 2024, and notes to the Financial Statements, including a summary of significant accounting policies exhibited on pages 3 to 24.

In our opinion, the accompanying Financial Statements give a true and fair view of the financial position of the Fund as at 31st December 2024, and of its financial performance and its cash flows for the year then ended 31st December 2024 in accordance with Sri Lanka Accounting Standards.

Basis for Opinion

We conducted our audit in accordance with Sri Lanka Auditing Standards (SLAuSs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Fund in accordance with the ethical requirements of the Code of Ethics issued by Chartered Accountants of Sri Lanka that are relevant to our audit of the Financial Statements and we have fulfilled our other ethical responsibilities in accordance with the code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of Financial Statements that give a true and fair view in accordance with Sri Lanka Accounting Standards and for such internal control as management determines is necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Sri Lanka Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an Audit in accordance with Sri Lanka Auditing Standards, we exercise professional judgment and maintain professional skepticism throughout the Audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting
 and, based on the audit evidence obtained, whether a material uncertainty exists related to events or
 conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we
 conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to
 the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify
 our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's
 report. However, future events or conditions may cause the Fund to cease to continue as a going
 concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

The Financial Statements are prepared and presented in accordance with and comply with the requirements of the Unit Trust Deed and Collective Investment Scheme Code of 2022 set by Securities and Exchange Commission of Sri Lanka.

The Accounting Policies and the Notes on Pages 7 to 24 form an integral part of these Financial Statements.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - CORPORATE INFORMATION

NOTE 1.1 - GENERAL INFORMATION

SENFIN DIVIDEND FUND is an open ended unit trust fund approved by the Securities and Exchange Commission of Sri Lanka. The Fund was launched on 07th May 2021.

The Fund is managed by Senfin Asset Management (Pvt) Ltd, which is incorporated and domiciled in Sri Lanka. The registered office of the Management Company is located at No.267, Galle Road, Colombo 03. The Trustee of the fund is Hatton National Bank PLC from 25.03.2021 having its registered office at No 479, T.B. Jayah Mawatha, Colombo 10.

The investment objective of the Fund is to achieve current income whilst providing an opportunity for capital appreciation by investing in a well-diversified portfolio of equity securities listed on the Colombo Stock Exchange.

NOTE 1.2 - DATE OF AUTHORIZATION FOR ISSUE

The financial statements of the fund for the year ended 31st December 2024 were authorized for issue by the fund management company and the trustee on 26th March 2025.

NOTE 2 - GENERAL INFORMATION AND STATEMENT OF COMPLIANCE WITH SRI LANKA ACCOUNTING STANDARD

The Financial Statements of the Fund for the year ended 31st December 2024 have been prepared in accordance with the Sri Lanka Accounting Standards (LKAS & SLFRS) issued by the Institute of Chartered Accountants of Sri Lanka and the requirement of the Trust deed and Collective Investment Scheme Code of 2022 set by the Securities and Exchange Commission of Sri Lanka. They are presented in Sri Lankan Rupees (Rs), which is also the functional currency of the Fund.

NOTE 3 - SUMMARY OF ACCOUNTING POLICIES

NOTE 3.1 - OVERALL CONSIDERATIONS

The significant accounting policies that have been used in the preparation of these Financial Statements are summarised below.

NOTE 3.2 - BASIS OF PREPARATION

The Financial Statements have been prepared in accordance with Sri Lanka Accounting Standards under the historical cost convention except for following financial statement line item.

Financial Assets at fair value through profit & loss, which are measured at fair value.

The statement of financial position is presented on a liquidity basis and assets and liabilities are presented in decreasing order of liquidity and are not distinguished between the current and non-current.

NOTES TO THE FINANCIAL STATEMENTS (CONTD.)

NOTE 3.3 - REVENUE RECOGNITION

(a) Interest Income

Interest income for all interest-bearing financial instruments is recognised within interest income in the statement of comprehensive income using the effective interest method.

The effective interest rate method is the method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument or, when appropriate, a shorter period to the net carrying amount of the financial asset. When calculating the effective interest rate, the Fund estimates cash flows considering all contractual terms of the financial instrument but does not consider future credit losses. The calculation includes all fees and points paid or received between parties to the contract that are an integral part of the effective interest rate, transaction costs and all other premiums or discounts.

(b) Dividend Income

Dividend income is recognised at the time the right to receive payment is established.

(c) Realised gains/(losses) on financial assets at FVTPL

Net gains on sale of trading securities are accounted for on the date of sale by deducting the carrying value of the securities from the sale proceeds.

(d) Unrealised gains/(losses) on financial assets at FVTPL

Unrealised gains/(losses) on financial assets at FVTPL includes all gains and losses that arise from changes in fair value of the financial assets at FVTPL as at the reporting date.

NOTE 3.4 - FINANCIAL INSTRUMENTS - INITIAL RECOGNITION, CLASSIFICATION, SUBSEQUENT MEASUREMENT AND DERECOGNITION

NOTE 3.4.1 - RECOGNITION AND INITIAL MEASUREMENT OF FINANCIAL ASSETS

Debt securities issued are initially recognised when they are originated. All other financial assets are initially recognised when the fund becomes a party to the contractual provisions of the instrument.

Except in the case of financial assets and financial liabilities recorded at FVPL, transaction costs are added to, or subtracted from this amount.

NOTE 3.4.2 - CLASSIFICATION

On initial recognition, a financial asset is classified as measured at: amortised cost or FVTPL. Financial assets are not reclassified subsequent to their initial recognition unless the fund changes its business model for managing financial assets in which case all affected financial assets are reclassified on the first day of the first reporting period following the change in the business model.

Z

SENFIN DIVIDEND FUND NOTES TO THE FINANCIAL STATEMENTS (CONTD.) NOTE 3.3 - REVENUE RECOGNITION (CONTD.)

A financial asset is measured at amortised cost if it meets both of the following conditions:

- it is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All financial assets not classified as measured at amortised cost as described above are measured at FVTPL. This includes derivative financial assets if any.

NOTES TO THE FINANCIAL STATEMENTS (CONTD.)

NOTE 3.4 - FINANCIAL INSTRUMENTS - INITIAL RECOGNITION, CLASSIFICATION, SUBSEQUENT MEASUREMENT AND DERECOGNITION (CONTD.)

NOTE 3.4.3 - SUBSEQUENT MEASUREMENT AND GAINS OR LOSSES

- *Financial assets at* These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses, if any. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.
- *FVTPL* These assets are subsequently measured at their fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss. Net change in unrealised gains/losses on equity investments includes the accumulated gains/losses on realised equity investments, since the realised gain/losses are computed on the difference between weighted average cost of purchase and the selling price.

NOTE 3.4.4 - DERECOGNITION

The fund derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the fund neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset.

The fund enters into transactions whereby it transfers assets recognised in its statement of financial position, but retains either all or substantially all of the risks and rewards of the transferred assets. In these cases, the transferred assets are not derecognised.

NOTE 3.4.5 - RECOGNITION AND INITIAL MEASUREMENT OF FINANCIAL LIABILITIES

Financial Liabilities are measured initially at fair value and recognized on the trade date at which the Fund becomes a party to the contractual provisions of the instrument.

Accrued Expenses

Payables are initially recognised at fair value, which is the fair value of the consideration to be paid in the future for service received, whether or not billed to the fund, and subsequently at amortised cost.

NOTE 3.4.6 - CLASSIFICATION AND SUBSEQUENT MEASUREMENT

Financial liabilities are classified as measured at amortised cost. Other financial liabilities are subsequently measured at amortised cost using the effective interest method.

Financial liabilities include accrued expenses and other payables.

SENFIN DIVIDEND FUND NOTES TO THE FINANCIAL STATEMENTS (CONTD.) NOTE 3.4 - FINANCIAL INSTRUMENTS - INITIAL RECOGNITION, CLASSIFICATION, SUBSEQUENT MEASUREMENT AND DERECOGNITION (CONTD.)

NOTE 3.4.7 - DERECOGNITION

The fund derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire. The fund also derecognises a financial liability when its terms are modified and the cash flows of the modified liability are substantially different, in which case a new financial liability based on the modified terms is recognised at fair value.

On derecognition of a financial liability, the difference between the carrying amount extinguished and the consideration paid (including any non-cash assets transferred assumed) is recognised in profit or loss.

COLOMBO

NOTES TO THE FINANCIAL STATEMENTS (CONTD.)

NOTE 3.4 - FINANCIAL INSTRUMENTS - INITIAL RECOGNITION, CLASSIFICATION, SUBSEQUENT MEASUREMENT AND DERECOGNITION (CONTD.)

NOTE 3.4.8 - OFFSETTING OF FINANCIAL INSTRUMENTS

Financial assets and financial liabilities are offset and the net amount reported in the statement of financial position if, and only if:

- There is a currently enforceable legal right to offset the recognised amounts and
- There is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

NOTE 3.4.9 - IMPAIRMENT

The fund derecognises loss allowances for expected credit losses (ECLs) on financial assets measured at amortised cost.

The fund measures loss allowances at an amount equal to lifetime ECL, except for bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition which are measured as 12-month ECL.

Lifetime ECLs are the ECLs that result from all possible default events over the expected life of a financial instrument.12-month ECLs are the portion of ECLs that result from default events that are possible within the 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months). The maximum period considered when estimating ECLs is the maximum contractual period over which the fund is exposed to credit risk.

Presentation of allowance for ECL in the statement of financial position Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

WRITE OFFS

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery.

NOTE 3.5 - CASH AND CASH EQUIVALENTS

Cash and cash equivalents comprise of cash at bank.

The cash flow statement has been prepared using the direct method.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and cash equivalents as defined above.

NOTE 3.6 - PROVISIONS

Provisions are recognized when the Fund has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate of the amount of the obligation can be made.

NOTES TO THE FINANCIAL STATEMENTS (CONTD.)

NOTE 3.7 - INCOME TAX

The provision for income tax is based on the elements of income and expenditure as reported in the financial statements and computed in accordance with the provisions of Inland Revenue Act.

The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. The Fund is not liable to pay income tax as at the reporting date in accordance with Chapter V Division III of the Inland Revenue Act No. 24 of 2017. The fund's income generated through eligible investment business are treated as "pass through vehicles" under the provisions of Inland Revenue Act No. 24 of 2017.

NOTE 3.8 - EXPENSES

The management, trustee and custodian fees of the fund as per the trust deed are as follows

Management Fees	-	0.75 % p.a of Net Asset Value of the fund
Trustee Fees	-	0.15% p.a of Net Asset Value of the fund
Custodian Fees	-	Flat fee of Rs. 20,000/- per Month

NOTE 3.9 - UNIT HOLDERS' FUNDS

Unit holders' funds has been calculated as the difference between the carrying amounts of the assets and the carrying amounts of the liabilities, other than those due to Unit holders as at the reporting date.

Units can be issued and redeemed based on the fund's net asset value per unit, calculated by dividing the net assets of the fund calculated in accordance with the Trust Deed valuation guidelines adopted by the Unit Trust Association of Sri Lanka and directives issued by the Securities and Exchange Commission of Sri Lanka, by the number of units in issue. Income not distributed is included in net assets attributable to unit holders.

NOTE 3.10 - DISTRIBUTIONS

In accordance with the trust deed, the fund distributes income, to unit holders by cash or reinvestment in units. The distributions are recorded in the statement of movement in unit holders' funds.

NOTE 3.11 - SIGNIFICANT MANAGEMENT JUDGEMENT IN APPLYING ACCOUNTING POLICIES AND ESTIMATION UNCERTAINTY

When preparing the financial statements, management makes a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses.

Significant management judgments

The following are significant management judgments when applying the accounting policies of the Fund that have the most significant effect on the financial statements.

Estimation uncertainty

Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may be substantially different.

SENFIN DIVIDEND FUND NOTES TO THE FINANCIAL STATEMENTS (CONTD.) NOTE 3.12 - FINANCIAL INSTRUMENTS AND RISK MANAGEMENT

a) Financial Instruments:

The Fund's principal financial assets comprise investments in Quoted Equity Securities, Government Securities Repurchase Agreements, Unit Trust and cash at bank. The main purpose of these financial instruments is to generate a return on the investment made by Unit holders. The Fund's Net Asset Value comprises amounts attributable to Unit holders, which are the amounts owed to Unit holders of the Fund. The Fund also has other financial instruments such as, accrued expenses and other payables which arise directly from its operations.

In accordance with SLFRS 9 Financial Instruments: Recognition and Measurement, the Fund's investments in Quoted Equity Securities and Government Securities Repurchase Agreements Unit Trust are classified as 'Financial Assets at Fair Value through Profit or Loss' and 'Debt Instrument at Amortised Cost' respectively. Accrued expenses and other payables are designated as 'other financial liabilities' at amortized cost.

b) Financial risk management objectives, policies and processes:

Risks arising from holding financial instruments are inherent in the Fund's activities, and are managed through a process of ongoing identification, measurement and monitoring. The Fund is exposed to various risk, including credit risk, market risk, interest rate risk and liquidity risk.

Financial instruments of the Fund comprise investments in quoted equity securities and short term fixed income securities for the purpose of generating a return on the investment made by Unit holders, in addition to cash at bank, and other financial instruments such as receivables and payables, which arise directly from its operations.

The Manager is responsible for identifying and controlling the risk that arise from these financial instruments. The Manager agrees policies for managing each of the risks identified below.

The risks are measured using a method that reflects the expected impact on the Statement of Profit or Loss and Other Comprehensive Income and Statement of Financial Position of the Fund from reasonably possible changes in the relevant risk variables. Information about these risk exposures at the reporting date, measured on this basis, is disclosed below.

The Manager also monitors information about the total fair value of financial instruments exposed to risk, as well as compliance with established investment mandate limits. These mandate limits reflect the investment strategy and market environment of the Fund, as well as the level of risk that the Fund is willing to accept, with additional emphasis on selected industries. This information is prepared and reported to relevant parties by the Manager on a regular basis as deemed appropriate, including the Fund Manager, other key management, Risk and Investment Committees, and ultimately the Trustees of the Fund.

Concentration of risk arises when a number of financial instruments or contracts are entered in to with the same counterparty, or where a number of counterparties are engaged in similar business activities, or activities in the same geographic region, or have similar economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economics, political or other conditions.

The SENFIN DIVIDEND FUND bears certain risks that are normally associated with making investments in securities. The value of the Units of this Fund and the income accruing to the Fund rise and fall based on the interest rate in the market. Unlike bank savings and fixed deposits, there can be no assurance or guarantee of fixed returns in relation to investments made in Units.

The Fund's ability to achieve its investment objectives is substantially dependent on the overall performance of the economy and environmental factors. The Fund is also subject to various degrees of regulatory, fiscal, liquidity, inflation, interest rate and re-investment risks

Ś

SENFIN DIVIDEND FUND

NOTES TO THE FINANCIAL STATEMENTS (CONTD.)

NOTE 3.12 - FINANCIAL INSTRUMENTS AND RISK MANAGEMENT (CONTD.)

i) Interest Rate Risk:

Interest rate risk is the risk that the value of a financial instrument will fluctuate as a result of changes in market interest rates.

The fund's interest bearing financial assets expose it to risks associated with the effects of fluctuations in the prevailing levels of market interest rates on its financial position and cash flows. The risk is measured using sensitivity analysis. However, due to the short-term nature of the instruments, it is reasonably expected that the fluctuation in interest rate will not materially impact the net assets value of the fund.

The table below summarises the fund's exposure to interest rate risks.

31 December 2024	Floating Interest Rate Rs.	Fixed Interest Rate Rs.	Non- Interest bearing Rs.	Total Rs.
Financial Assets				
Cash and Cash Equivalents Financial asset held at fair	18,749,721	-	25,000	18,774,721

Financial assets Cash and Cash Equivalents Financial asset held at fair value through Profit or Loss	Interest Rate Rs.	Interest Rate	Interest bearing Rs.	Rs.
Financial assets Cash and Cash Equivalents Financial asset held at fair	Interest Rate Rs.	Interest Rate	Interest bearing Rs. 25,000	Rs. 5,154,088

NOTES TO THE FINANCIAL STATEMENTS (CONTD.)

NOTE 3.12 - FINANCIAL INSTRUMENTS AND RISK MANAGEMENT (CONTD.)

ii) Credit Risk:

Credit risk is the risk that the counterparty to the financial instruments will fail to discharge an obligation and cause the fund to incur a financial loss of interest and/or principal.

The fund's exposure to credit risk from its financial assets arises from default of the counterparty, with the current exposure equal to the carrying amount of financial assets as at the reporting date. It is the fund's policy to enter into contracts with reputable counterparties.

Counterparty	Credit r	Rating agency		
	2024 2023			
Hatton National Bank PLC	А	A	Fitch	
Union Bank of Colombo PLC	BBB-	BBB-	Fitch	
Senfin Money Market Fund	Money Market Fund AAf -		Fitch	

The fund is also subject to credit risk on its bank balance and bank money market balances. The credit risk exposure on these instruments is not deemed to be significant.

iii) Market risk

Market risk represents the risk that the value of the Fund's investments portfolios will fluctuate as a result of changes in market prices.

This risk is managed by ensuring that all investment activities are undertaken in accordance with established mandate limits and investments strategies.

Within the underlying investment portfolio, diversification is achieved by investing across a range of investment sectors. Within each sector, the Fund manager invests in a variety of stocks.

COLO

SENFIN DIVIDEND FUND

NOTES TO THE FINANCIAL STATEMENTS (CONTD.)

NOTE 3.12 - FINANCIAL INSTRUMENTS AND RISK MANAGEMENT (CONTD.)

iv) Price risk

Price risk is the risk that the fair values of the Fund's investment in trading securities will fluctuate as a result of changes in the price of the Fund's investments in trading securities. Price risk exposure arises from the Fund's investment portfolios.

The table below shows the impact on the statement of Comprehensive Income and Statement of Financial Position due to a reasonably possible change in the price of the Fund's investment in trading equity securities in Note 5, with all other variables held constant:

	31 December 2024		
	Increases/ (decreases) on profit before tax	Increases/ (decreases) on amounts attributable to unit holders	
	Rs.	Rs.	
Change in price of the Fund's investment in trading securities existing as of reporting date:			
+10%	29,676,664	29,676,663	
-10%	(29,676,664)	(26,676,663)	

	31 Dec	cember 2023
	Increases/ (decreases) on profit before tax	Increases/ (decreases) on amounts attributable to unit holders
	Rs.	Rs.
Change in price of the Fund's investment in trading securities existing as of reporting date:		
+10%	12,039,161	12,039,161
-10%	(12,039,161)	(12,039,161)

vi) Liquidity Risk:

Liquidity risk is the risk that the Fund will encounter difficulty in raising Funds to meet its obligations to pay unitholders. Exposure to liquidity risk arises because of the possibility that the fund could be required to pay its liabilities or redeem its units earlier than expected. Units are redeemable at the unit holder's option based on the fund's net asset value per unit at the time of redemption.

The fund manages its obligation when required to do so and its overall liquidity risk by:

- investing primarily in marketable securities and other financial instruments, which under normal market conditions are readily convertible to cash
- investing within established limits to ensure there is no concentration of risk

NOTES TO THE FINANCIAL STATEMENTS (CONTD.) NOTE 3.12 - FINANCIAL INSTRUMENTS AND RISK MANAGEMENT (CONTD.)

- Maintaining sufficient cash and cash equivalents to meet normal operating requirements and expected redemption requests. The Collective Investment Scheme Code of 2022 requires a minimum of 3% of the deposited property to be maintained in cash or near cash. (near cash means investments such as bank/call deposits, repurchase agreements with maturities of less than 3 months, commercial paper endorsed or guaranteed by a Licensed Commercial Bank or Licensed Specialized Bank with maturities of less than 3 months and government securities including government bonds with maturities of less than one year which can be readily convertible into cash.)

- Requiring a at least 14 days prior written notice for Unit holder redemption equal to or greater than 3% of the net asset value of the fund

- Searching for new investors
- The time frame for return of cash to investors is five business days in which time investments may be recalled for redemption payouts. In addition, as per the Collective Investment Scheme Code of 2022 and the Trust Deed, if the redemption value is 3% or more of the net assets value of the fund, the unit holder is required to give a minimum of 14 days prior notice. Further, the fund is also permitted to borrow up to 15% of the deposited property for redemption payouts. No such borrowings have arisen during the period.

Other Financial liabilities have no contractual maturities. Due to the short-term nature of these financial instruments, carrying value approximates fair value.

The table below precises the Fund's non derivative financial assets and liabilities with contractual maturities into relevant maturity groupings based on the remaining period at the end of the reporting period. The amounts in the table are the contractual undiscounted cash flows.

31st December 2024	On Demand	Less than 30 days	31 - 90 days	91 – 180 days	181 – 365 days	More than 365 days	Total

NOTES TO THE FINANCIAL STATEMENTS (CONTD.)

NOTE 3.12 - FINANCIAL INSTRUMENTS AND RISK MANAGEMENT (CONTD.)

vii. Capital risk management

The Fund considers its net assets attributable to unit holders as capital, notwithstanding net assets attributable to unit holders are classified as a liability. The amount of net assets attributable to unit holders can change significantly on a daily basis as the Fund is subject to daily subscriptions and redemptions.

Daily subscriptions and redemptions are reviewed relative to the liquidity of the Fund's underlying assets on a daily basis by the Management Company.

Following being the disclosures of Unit holders' Funds;

The movement in the Unit holder's Funds for the year ended 31 December 2024.

In term of Value	Rs.
Unit holders' funds as at beginning of the year	125,079,325
Creations during the year	105,670,234
Redemptions during the year	(321,324)
Increase in net assets attributable to Unit Holders during the year	89,178,109
Income distribution	(4,630,053)
Unit Holders' Funds as at 31 December 2024	314,976,291
In term of No. of units	
Opening number of units as at beginning of the year	11,575,132.20
Unit creations during the year	9,334,721.90
Unit redemptions during the year	(26,819.60)
Closing no of units as at 31 December 2024	20,883,034.50

As stipulated within the Trust Deed, each unit represents a right to an individual share in the Fund and does not extend to a right to the underlying assets of the Fund. There are no separate classes of units and each unit has the same rights attaching to it as all other units of the Fund.

Determination of fair value and fair value hierarchy

SLFRS 7 Financial Instruments : Disclosures require fair value measurements to be disclosed by the source of inputs, using a three level hierarchy. The hierarchy for measuring fair value consists of Level 1 to 3.

- Level 1 An investment in a fund is classified in Level 1 of the hierarchy when that investment is quoted in an active market and measured at the unadjucted quoted price at the reporting date
- Level 2 An investment in a fund is classified in Level 2 of the hierarchy when that investment is measured using inputs that are directly observable at the reporting date.
- Level 3 An investment in a fund is classified in Level 3 of the hierarchy when that investment is measured using unobservable inputs at the reporting date.

(

Units in issue and deemed to be in issue as at 31st December 2024 is 20,883,035. The Net Asset Value per unit as at this date was Rs. 15.08 (2023 - Rs. 10.81).

NOTES TO THE FINANCIAL STATEMENTS (CONTD.)

NOTE 16 - RELATED PARTY TRANSACTIONS

The following institutions have been identified as related parties to the Fund in accordance with Sri Lanka Accounting Standards LKAS 24 - Related Party Disclosures.

Responsible entity

The management Company of SENFIN DIVIDEND FUND is Senfin Asset Management (Private) Limited. The Trustee is Hatton National Bank PLC.

Key management personnel

i) Directors

Key management personnel includes persons who were Directors of Senfin Asset Management (Private) Limited at any time during the financial period.

- Dr. Prathap Ramanujam
- Mr. Sonal Balasuriya
- Mr. Tilak Collure
- Mr. Sanath Bandaranayake
- Mr. Keshav Balasuriya (upto October 2024)
- Mr. Jeevan Sukumaran Executive Director (from October 2024)

ii) Other key management personnel

- Other persons with responsibility for planning, directing and controlling the activities of the fund, directly or indirectly during the financial period are given below:
 - Mr. Surath Perera Chief Investment Officer
 - Mr. Murugiah Rajendran Head Of Compliance
 - Mr. Nilanka Gamaethige Head of Client Services & Marketing
 - Mr. Rajitha Elapatha Senior Fund Manager

Key management personnel compensation

Key management personnel are paid by Senfin Asset Management (Private) Limited. Payments made from the Fund to Senfin Asset Management (Private) Limited do not include any amounts directly attributable to the compensation of key management personnel.

Other transactions within the Fund

No key management personnel have entered into a material contract with the Fund during the financial year and there were no material contracts involving key management personnel's interest existing at end of the year.
